MANY RUSSIANS GO TO CANADA

A. W. Perelstrous, head of the International Immigration & Colonization Company, and associated with F. B. McStocker and others in immigration enterprises, has evidently been busy in Manchuria, according to the following report from Vancouver, B. C., shortly after Perelstrous reached the States enroute to Europe for his health.

"Between 2,000 and 4,000 Russians are assembling at Dalny to come to Canada in a specially chartered steamer to form a colony in Alberta, according to 'Shipping Illustrated.' Arrangements are being made for a special steamer to carry as many of the Russian colonists to Canada as can be accommodated on the vessel, and the others will follow in another steamer or in parties by the regular liners.

"Mr. Malcolm R. J. Reid, the local immigration agent, stated that he had not heard anything about this body of Russians intending to come to Canada."

STOMACH MISERY JUST VANISHES

No Indigestion, Gas or Sourness After Taking "Pape's Diapiesin"

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and cruetate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache—this is indigestion.

A full case of Pape's Diapiesin costs only fifty cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these fifty-cent cases, then you will understand why dyspeptic trouble of all kinds must go, and why they usually relieve sour, out-of-order stomachs or indigestion in five minutes. Diapiesin is harmless and tastes like candy, though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many Diapiesin cranks, as some people will call them, but you will be cranky about this splendid stomach preparation, too, if you ever try a little for indigestion or gastritis or any other stomach misery. Get some now, this minute, and forever rid yourself of stomach trouble and indigestion.

HAWAII'S LIVING VOLCANIC INFERNO

John Burroughs, describing his visit to Kilauea in the Century Magazine says in part:

"The first glance into that fearful pit is all that your imagination can picture it. You look upon the traditional lake of brimstone and fire, and if devils were to appear skipping about over the surface with pitchforks, turning their victims as the cook turns her frying crullers in the sputtering fat, it would not much surprise you. This liquid is rather thick and viscid, but it is boiling furiously. Great masses of it are thrown up forty or fifty feet, and fall with a crash like that of the surf upon the shore.

"Looking upon this scene with the thought of the traditional lake of fire and brimstone of our forefathers in mind, you would say that these black, filthy-looking masses floating about on the surface were the accumulation of all the bad stuff that had been fried out of the poor sinners since hell was invented. How much wickedness and uncharity, and evil thought it would represent! If the poor victims were clarified and made purer by the process, then it would seem worth while."

Cable News SAYS LETTERS ARE GENUINE

[Associated Press Cable] WASHINGTON, D. C., Oct. 10.—Testifying before the Clapp investigating committee today, John D. Archbold of the Standard Oil Company admitted the authenticity of the so-called Hearst letters, said to have been stolen from his office and sold to William R. Hearst.

Over-Night Wireless To the Advertiser

The Greek Premier, Eleftherio Venizelos, still hopes for peace. Addressing a great gathering which had assembled outside his residence late last night, he said:

"I still hope that peace will be maintained. Our allies do not desire to make conquests, and what we ask for also corresponds to the interests of the neighboring empires and represents a first and indispensable condition for the peaceful coexistence of the Balkan peoples and the Ottoman Empire."

More energetic intervention by the Powers in order to prevent the outbreak of hostilities on the part of Bulgaria, Serbia and Greece, and to bring about a cessation of the war with Montenegro, is said to be contemplated today.

The Montenegrin army opened war against Turkey by attacking a strong Turkish position opposite Podgoritz. Peter, the youngest son of King Nicholas, fired the first shot. This was the signal for firing all along the line and an artillery duel ensued.

Declaring that Woodrow Wilson, governor of New Jersey and Democratic candidate for President, opposed every effective means of helping the wage-workers, Colonel Roosevelt appealed at Houghton, Mich., last night to the working men and women of the country to support the Progressive party on election day.

In order to give young navy officers greater variety of experience in their earlier years and to throw them more on their own resources and teach them self-reliance, the Navy Department has adopted a new system in detailing officers to the gunboats and smaller vessels.

William Jennings Bryan arrived in Fargo this morning and addressed a large audience of women on the high cost of living.

A message received today from the cruiser Maryland, which is bringing Secretary of State P. C. Knox and Secretary of the Interior Walter L. Fisher from Honolulu, says that that vessel will arrive in Seattle tomorrow morning.

Germany's aerial fleet suffered a severe loss today by the total wrecking, by explosion, of one of its immense military dirigible balloons and of the hangar in which it was stationed in a suburb of Berlin. None of the crew was injured.

John D. Archbold, president of the Standard Oil Company, testified today before the United States Senate committee investigating campaign contributions and expenditures.

Some of the letters said to have been written to him by men named, Archbold could not remember having received, but was not prepared to say he had not. Of his own letters, his most frequent answer was, "I have no doubt I wrote it."

Archbold did not deny the authorship of any of the letters. He confessed to close relationship with most of Theodore Roosevelt's backers in the 1904 campaign. It has been charged that the Standard Oil and other big interests financed Roosevelt's fight.

DIABETES

The probabilities under Fulton's Diabetic Compound seems to us to be about as follows:

In cases of sixty years and over reports have been so encouraging that it is our belief that recovery or control that prolongs life in reasonable comfort is probable in most cases.

At fifty and over while response to the treatment seems to be the general rule, approaching forty the disease is very obstinate and we would not make strong claims.

Under thirty the results are very small, and in children recoveries have been rare and most of those were obtained through the aid of skilled physicians keeping the liver active, promoting nutrition and giving alkalines when necessary to control acetones.

Fulton's Diabetic Compound can be had at Honolulu Drug Co.

Ask for pamphlet.

It does not conflict with physicians' prescriptions. But where patients require codain we desire to submit something milder that contains no opium.

We desire every patient not improving the third week to write us. Always state age. Literature mailed free. John J. Fulton Company, San Francisco, Cal. We invite correspondence with physicians who have obstinate cases.
